

## Selecting a Wi-Fi network

\*\*Please be aware, you will have approx. 15 seconds to complete each step before returning to the main employee login screen\*\*

1. Click 'Administrator Access' on the bottom left

2. Press 'ENTER PIN' and enter your Administrator Access PIN.

3. Press the red 'Enter Super Admin' button

4. Press the 'switch to mobile mode' button in the top right corner.

		ADI C	MIN PAGE lock TestC	switch to mobile mode		
New/Edit Admin Registration	FOB Register	Device Settings	Register Yourself	Deregister Admins	Choose Logo	Installati FOB
	• Log ou	it and return to hom	e page	View Employee Online		

 This will then prompt you to select a launcher, depending on your device. You will need to choose the option that is not 'OnTime', ie. 'Quickstep' or 'Launcher3'. Select the 'JUST ONCE' option.

New/Edit Admin Registration	Select a Home app	Choose Logo FOB		

- 6. From here, you will need to find the 'Settings' app either on the home page or in the app drawer. This can be found by swiping up from the bottom of the screen.
- 7. Navigate to Network and Internet settings in the settings app, press Wi-Fi choose from the list of Wi-Fi networks and enter the password. Your systems administrator may need to ensure that the device's MAC address has been allowed to access the network.
