

TeamViewer configuration

Please be aware, you will have approx. 15 seconds to complete each step before returning to the main employee login screen

1. Click 'Administrator Access' on the bottom left

2. Press 'ENTER PIN' and enter your Administrator Access PIN.

3. Press the red 'Enter Super Admin' button

4. Press the 'switch to mobile mode' button in the top right corner.

		ADIMIN PAGE Clock TestC			switch to mobile mode	
New/Edit Admin Registration	FOB Register	Device Settings	Register Yourself	Deregister Admins	Choose Logo	Installati FOB
	E Log ou	it and return to home	e page	/iew Employee Online		

 This will then prompt you to select a launcher, depending on your device. You will need to choose the option that is not 'OnTime', ie. 'Quickstep' or 'Launcher3'. Select the 'JUST ONCE' option.

New/Edit Admin Registration	Select a Home app	Choose Logo FOB				

6. From here, you will need to find the 'Host' app either on the home page or in the app drawer. This can be found by swiping up from the bottom of the screen.

7. This will take you through to the TeamView Host app. You will need to click on the 3 vertical dots shown below, and choose Advanced from the dropdown menu.
